Imported from past #FAILURES like the #WARONDRUGS. Reflect the current
#REALITY, which is that so-called #mentalillness is #chronic or - if you prefer - the #HUMANCONDITION and - so far as anyone can KNOW - #PERMANENT. Reflect that what YOU call #mentalillness is MY way of life - and be #RESPECTFUL. Reflect this WAY OF LIFE in everything that pretends to be about ME. STOP the #SLIPPAGE at #CAMH from #EDUCATION to #PROPAGANDA - it's become a cataract. Be #SKEPTICAL. #MOAN! #sunriseselfie
